Prof. Dr. Syed Modasser Ali
Chairman, Governing Body
Dhaka City College

Message of the Chairman

Dhaka City College is one of the leading educational institutions in Bangladesh. This more than half century old institution has been evolving with glory and accolades over time. Dhaka City Night College was established in 1957 at West End High School. It conducted its academic activities in West End High School and Dhaka College campuses from its inception till 1969. From 1969 Dhaka City Night College started its academic activities in its own campus in Road No. 2, Dhanmondi, Dhaka -1205. From 1972 Dhaka City Night College initiated Day Shift and started its operation as Dhaka City College. Located in the heart of Dhaka metropolis, Dhaka City College is a choice of priority of a huge number of students. Every year a large number of students from HSC— Humanities, Science and Business Studies groups pass with very good results. Conducive environment for HSC, Honors and Masters Students has been made possible by the sacrifice and hard work of teachers and staff. Students from different disciplines will build the desired golden Bengal as envisioned by the father of the nation, Bangabandhu Sheikh Mujibur Rahman. I believe that Dhaka City College will keep moving forward with its hard-earned glaring heritage and wide recognition through imparting proper education and producing promising human resource.

Professor Bedar Uddin Ahmed
Principal
Dhaka City College

Message of the Principal

Development of a country is defined by the upgradation of standard educational institutions. More than half-century-old Dhaka City College has glorified its tradition and glory by producing quality human resource. The institution has been successfully fulfilling the prior responsibility of importing standard education at Higher Secondary and Tertiary levels. Throughout the last few decades, Dhaka City College has achieved special excellence the arena of higher education of the country. Honors and Masters Courses in Accounting, Management, Marketing, Finance and Banking, English, Bangla and Economics are offered at this institution. From the academic year 1999-2000, B.B.A. and Honors course in Computer Science and Engineering and MBA from the academic year 2002-2003 were launched with a view to generating educated and career-oriented, highly qualified human resource in the country. Honors and Masters in Economics have been introduced in this college from the academic year 2012-2013 and Bangla from 2019-2020. With the expansion of the academic activities of the college, our responsibilities require far more sincerity, care and hard work. Our dream is to make Dhaka City College a seat of quality education in tertiary level, out of which patriotic, honest, dedicated, responsible, disciplined and knowledgeable graduates will come forward and contribute to the development of the nation. All these arrangements and efforts will be successful only if these future leaders can avail their dreams in their career and can do something remarkable for the welfare of their family, society and above all, humanity. I believe that each and every faculty and employee of Dhaka City College has a healthy mentality to perform his/her duties with honesty and devotion. I believe the glory of Dhaka City College will remain intact with the integrated efforts of all of us.

Introduction

Dhaka City College was established in 1957 with the patronage of local educators and social workers. In its inception classes were held at West End High School and afterwards at Dhaka College campuses. In 1969, college activities were shifted to its own premises in Road 2 of Dhanmondi, Dhaka-1205. Prior to this, it was known as "Dhaka Night College."

This college started its expedition with a commitment to ensure high academic standards and contributing to the building of an educated nation fit to address the challenges ahead. We aim not only to offer our students the best learning opportunities but also to provide an excellent platform for building careers and playing significant roles in the society. In pursuit of its vision, Dhaka City College is striving to produce outstanding graduates with high standard of creative, analytical, articulate, managing and adaptable quality with a lifelong passion for learning.

The mission of Dhaka City College is to excel in providing higher education in Bangladesh keeping in view the challenges of the twenty first century. As a 'Centre of Excellence' it aims to attract promising students from various disciplines and help them bloom with all their potentials. Main focus of the mission of Dhaka City College is to provide the students with opportunities, resources and expertise to achieve academic, personal and career goals within a stimulating competitive and supportive environment. The College is committed to developing quality human resource by sharpening creative thinking and potential of students.

Dhaka City College has a total of 3.94 acres of land. The main campus is in city's Dhanmondi area comprising of 85 fully air-conditioned classrooms, 4 laboratories, 3 seminar libraries, own water treatment plant to ensure safe drinking water, and 44 toilets with fulltime power support. It has 3 acres of open playground in city's Purbachal area with highly secured boundary wall. Presently, the college has 215 fulltime teachers to teach 4105 students from 9 honors and masters' education level under National University, Bangladesh. In the last published result of master's examination, the pass rate was 100% in all the 9 subjects.

Chapter: Overview of the College

2.0 Overview of the College:

The College is currently being run with the sincere efforts and proper guidance of Professor Dr. Syed Modasser Ali, renowned ophthalmologist, Chairman Bangladesh Medical Research Council, former Health and Family Welfare Adviser to the Prime Minister and respected educationalist, and the efficient management and supervision of 12 members Governing Body (Table-1). Dhaka City College is playing a positive role in the national progress by developing self-confidence and consciousness among the students through the expansion of education.

2.1 Governance and Teaching Structure:

Dhaka City College is a private educational institution. Here Higher Secondary, Bachelor (Pass) and BBA (Honors) in Accounting, Management, Marketing, Finance & Banking, BA (Honors) English, BSS (Honors) in Economics, BSc. (Honors) in Computer Science & Engineering, Bachelor of Business Administration BBA (Professional) and Postgraduate courses are offered in various disciplines. The college is governed by a governing body constituted in accordance with the rules and regulations of National University Bangladesh. The Governing Body sets all the policies related to the college and the college is run according to all the policies.

Principal: The Principal is the executive head of the college. He conducts the academic and administrative functions of the college in the light of the decisions of the Governing Body.

Vice-Principal: He assists in administrative and academic work as directed by the principal.

Head of Department/Co-Ordinator: In order to assist the principal in performing academic duties in all the subjects on which Honors and Masters Courses have been introduced, one teacher from each subject is given additional responsibility of Head of the Department for two years. In order to assist the principal in the smooth execution of the academic functions of the Honors in Computer Science and Engineering course, and B.B.A. (Professional), one teacher is assigned as the coordinator for each course.

The Governing Body of Dhaka City College consists of the following members:

Sl. No.	Name of the Members	Designation
01.	Professor Dr. Syed Modasser Ali Famous Ophthalmologist, Chairman, BMRC and former Health and Family Welfare Adviser of Prime Minister.	Chairman
02.	Advocate Quazi Murshed Hossain Kamal (National University Nominated Member, Bangladesh)	Member
03.	Mr. Mohammad Shahidullah Assistant College Inspector (BISE Nominated Member, Dhaka)	Member
04.	Professor A.B.M. Belal Hossain Bhuiyan Vice Principal, New Model Degree College (Guardian representative)	Member
05.	Mr. A.K.M. Amirul Islam (Guardian representative)	Member
06.	Mr. Md. Abdus Sattar Biswas (Guardian representative)	Member
07.	Mr. Kamal Sharif (Benevolent member)	Member
08.	Dr. Mohammad Ismail Haider Mollik Director, Bangladesh Cricket Board	Member
09.	Prof. Atam Hossain Chowdhury Department of Statistics. (Teachers' representative)	Member
10.	Prof. G. M. Ferdous Department of Management. (Teachers' representative)	Member
11.	Dr. Gafura Nasrin Department of Political Science. (Teachers' representative)	Member
12.	Prof. Bedar Uddin Ahmed Principal	Member- secretary

Table-1. List of Governing Body Members

In addition to the Principal, Vice-Principal and Head of the Departments two additional administrative body assists the college authority in smooth functioning of the college examinations and daily classes.

- i. **Professor in-charge of Class supervision:** Two teachers are assigned to supervise the class for one academic year.
- ii. **Conducting Examinations:** A three-member exam committee is formed to conduct college internal examinations, such as, class tests, semester examinations, preparatory examinations or model tests and Board and University examinations.

A part of the Governing Body Members on a discussion program of 7th March, 2021

2.2 Teaching staff and supporting staff

There are 215 faculties from various discipline involved in teaching the students of honors, Masters and Higher Secondary level students. Teachers' appointments are made on the basis of National University, Bangladesh rules. Dhaka City College is self-financed with own service rules. Presently the college has 8 PhD faculty members. Of the total 215 faculty members 33 are Professor, 56 are associate professor, 65 assistant professor and 48 lecturers. The laboratories have 13 demonstrators to support the teaching staffs. Table-2 shows the department wise list of teachers and their designations.

Dhaka City College is functioning with the consistent cooperation of 89 supporting staff. Administrative Officer is in charge of the supporting office staffs assisted by the Office Superintendent. Table-3 consists a list of office and supporting staff of Dhaka City College.

Chapter: Concluding Remarks

5.1 Overall Assessment of Performance of the Last Year and Key Targets of the Next Year

Overall Assessment of Performance of the Last year	Key Targets for Next Year
Due to COVID-19, overall performance of the college is also hampered partially.	To achieve better results in all departments with co-curricular activities To complete 4 (four) RFQs and 5(five) OTMs packages as per schedule

Table-16 Overall assessments

5.2 Key Challenges and Risks of the College

Covid-19 pandemic is still posing a threat to the normal activities of the college. Uncertainty prevails in the education sector of the country due to the closure of normal academic activities of educational institutions. Meanwhile, the Ministry of Education has issued an order to continue the online teaching program. Accordingly, Dhaka City College has chalked out a program to take classes of the students of all levels. But some challenges have hindered the program such as, lack of training of the teachers about how to take online classes. The teachers were not well-versed to use computer devices to conduct online classes and the students were almost puzzled to adjust with this new mode of teaching. Moreover, unstable internet connectivity also hampers the online teaching program. On the other hand, students attending classes from their village home and experience some technical issues.

Present curriculum sometimes is not enough to meet the knowledge demand for the job market and causing students unemployment.

Normal flow of revenue is seriously hampered. If this present situation continues, it will be difficult for the college to pay the monthly salary and other financial benefits to the incumbents.

5.3 Recommendations

1. Advancement of the National University, Bangladesh Curriculum is vital to meet up the challenges of 21st Century.
2. Implementation of multifaceted training and educational programs for enhancing the capacity of the teaching staff concerned.
3. Initiatives may be taken by the National University, Bangladesh for improving the scope of academic and applied research at college level.
4. Close monitoring and supervision of IDG sub-projects are needed to ensure the time-bound success of the program.
5. Long-term policies should be taken up for further continuation of the on-going skill development programs for the graduates of National University, Bangladesh.
